Why Panthers

The Panther (felis concolor) was adopted as the University of Pittsburgh's mascot at a meeting of student and alumni leaders in the early autumn of 1909. According to George M. P. Baird, '09, who made the suggestion, it was chosen for the following reasons: (1) the Panther was the most formidable creature once indigenous to the Pittsburgh region; (2) it had ancient, heraldic standing as a noble animal; (3) the happy accident of alliteration; (4) the close approximation of its hue to the old gold of the University's colors (old gold and blue), hence its easy adaptability in decoration; and (5) the fact that no other college or university then employed it as a symbol.

1970 Outlook:

The Pitt Panther Is Back

Last season was a year of regaining football respectability for Pitt after five disastrous years. 1970 could be a year of winning—perhaps big.

Carl DePasqua, in his first season as a head coach at Pitt, resurrected a phrase long missing from this tradition rich school —pride. Taking a club that had gone 3-27 in the previous three years, DePasqua guided the 1969 team to a 4-6 mark and more importantly, instilled a winning attitude.

Without question, Pitt could have one of the East's top teams in 1970. Last year the Panthers topped Syracuse, Army and Navy in the East, with the only loss to an Eastern team coming against nationally second-ranked Penn State. This season, Pitt returns 30 lettermen, including 13 starters, to go along with what DePasqua expects to be continued improvement and "a good carry-over" in the basic fundamentals of his system.

"We'll have a good football team," DePasqua says in what for him is a rare, optimistic statement. He quickly adds a mild warning, though, that "there are too many intangibles to predict how many games we're going to win or lose. Let's just say that we're hopeful of bettering last year's record and let everyone deduct from that what they want."

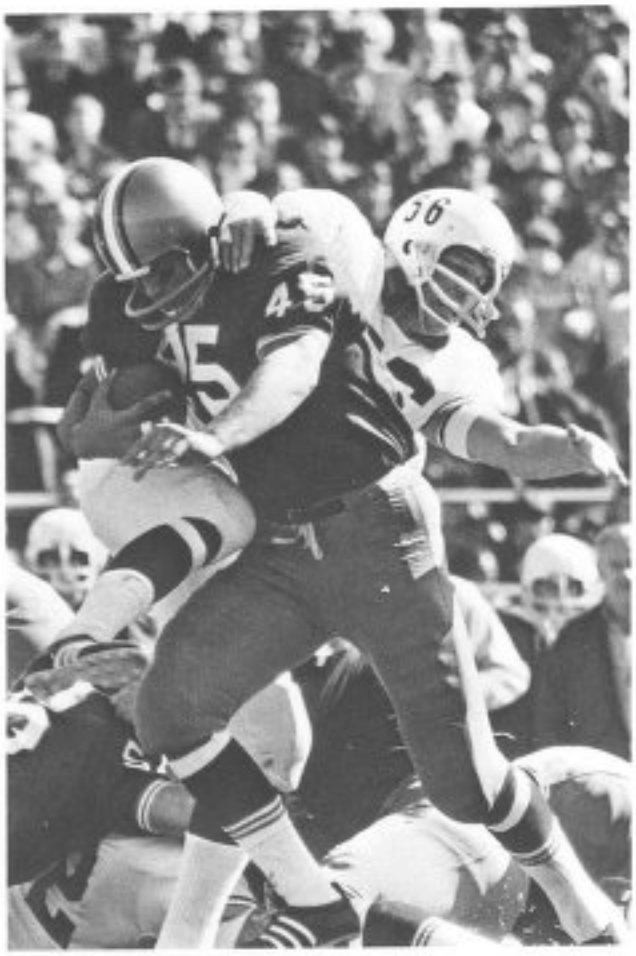
". . . we'll have a good football team . . . let's just say we're hopeful of bettering last year's record and let everyone deduct from that what they want."

Receiving ace Steve Moyer is back.

There's little question that Pitt has the potential for its best season since 1963 when the Panthers went 9-1 and were #3 in the country. There's also little question that there are weaknesses on the team that will have to be solved before the opener Sept. 19th against UCLA.

Chief among the question marks is the quarterback spot where the first three signal callers last year have graduated. A two-way battle for the job developed during spring drills and DePasqua says the position is still a "toss up" between junior injury redshirt Dave Havern and sophomore John Hogan. DePasqua also has some reservations about the defensive backfield where two regulars are gone, and the offensive line which has plenty of potential but is unproven.

On the plus side, Pitt is loaded with a bevy of big, fast running backs, and has a burly veteran defensive unit returning nearly entact. The offensive backs were so impressive during spring drills that De-



Pitt's best ground gainer since 1952, Tony Esposito, also returns.

Pasqua was able to install the triple option to go along with Pitt's basis offensive formation—the flanker set. Defensively, Pitt will be both big and experienced, and led by All-American candidates Ralph Cindrich at linebacker and Lloyd Weston at tackle.

Pitt could have its most explosive offensive team since 1963. The Panther running backs are excellent, the receivers are good, and the quarterbacking situation is not nearly as dire as it looks on paper. During spring drills the offensive team moved the football consistently against the defense—something that has not happened at Pitt in the last four or five years.

. . . the quarterback job is still a toss-up, there are some reservations about the defensive backfield, and the offensive line is unproven.

Quarterbacks Havern and Hogan both sparkled during the spring, running the triple option offense like veterans. Havern, perhaps, is the better runner, while Hogan appears to have a slight edge in the throwing department. "They both have quick feet and good skills," DePasqua noted.

Havern can't really be classed as a newcomer. Although he sat out all last season with mononucelous, the 5-9 mini-quarterback was a regular two years ago setting three school passing records and throwing for 1810 yards (15th in the NCAA). Hogan was one of DePasqua's prize recruiting catches a year ago and he appeared to live up to his clippings during the spring.

Behind the quarterback, DePasqua will have six strong running backs to pick from—Tony Esposito, Phil Sgrignoli and Lou Julian at fullback, and Dennis Ferris, Dave Garnett and John Moss at halfback. Esposito and Ferris are both two-year regulars and will probably get the call again this year. Esposito, a burly 6-1, 230-pounder, gained 743 yards last season, the most for a Pitt back since 1952. Ferris, who has great outside speed, tacked on 459 yards. They could well be the best one-two running punch in the East.

Sgrignoli (5-11, 220) and Julian (6-0, 212) give Pitt tank-like replacements at fullback, while speedsters Garnett (6-2, 215) and Moss (6-4, 224) will be fighting for Ferris' spot. There is a strong possibility that either Garnett or Moss could be switched to the flanker position in order to get them into the lineup at the same time as Ferris. During spring drills, sophomore Jim Parros (6-2, 185) held down the flanker job.

On the offensive line, Pitt doesn't have a lot of experience but DePasqua was pleased with what he saw at the end of spring drills. The probable lineup here shows: Bob Kuziel (Jr., 6-4, 227) at center; John Simpson (Jr. 6-1, 240) and Dan Lynn (Jr., 6-1, 215) at guard; Bruce Harkiewicz (Sr., 6-2, 230) and Ernie Webster (So., 6-4, 235) at tackle; Joel Klimek (Jr., 6-2, 215) at tight end, and Steve Moyer (Jr., 6-0, 190) at split end. Also slated to see

plenty of action are Bill Beinecke (Sr., 6-3, 242) and Tom Porreca (Sr., 6-3, 235) at tackle; Joe Baranick (Jr., 5-11, 218), Rick Lozier (So., 6-1, 235) and Brad Bekampis (Jr., 6-0, 224) at guard; Bill Pilconis (Sr., 6-6, 207) at tight end, and Doug Ginden (Jr., 6-5, 210) at split end.

". . . Cindrich is the soul of our defense . . . a great football player."

The receivers appear to be excellent. Moyer hauled in 48 passes last year, only two short of the school record, and could end up Pitt's all-time top receiver. Pilconis is a two-year regular, while Klimek and Ginden both had good springs.

Defensively, Pitt is solid. Seven regulars return from a good defensive team last year, led by All-American candidates Cindrich (Jr., 6-1, 220) and Weston (Sr., 6-1, 235). Cindrich, who led Pitt in tackles eight out of ten games last season, has been called by DePasqua as the best linebacker at Pitt since Joe Schmidt. "He's a great football player," DePasqua says, "the soul of our defense." Weston anchors the front-four with superb quickness and strength. He ranks as one of Pitt's best defensive tackles in a number of years.

In addition to Cindrich and Weston, other returning regulars are John Stevens (Sr., 6-2, 250) at tackle; Jack Dykes (Jr., 6-1, 230) at end; Joe Carroll (Jr., 6-1, 218) at linebacker; and Charlie Hall (Sr., 6-1, 200) and Bryant Salter (Sr., 6-4, 193) at defensive back.

Hank Alford, a 6-6, 240-pound junior who saw considerable action last season, and sophomore Richard Oldshue (6-5, 235) are battling for the other defensive end spot. Hardhitting senior Bob Baierl (6-1, 205) and sometimes regular Dave McGrath (Sr., 6-2, 225) will probably join Cindrich and Carroll at the linebacking corps. In addition to Hall and Salter in the defensive backfield, DePasqua can pick from among Mike Bannan (Sr., 6-0, 195), J. D. Lewis (Sr., 6-2, 192), Bill Ramos (Sr., 5-11, 200) or Andy Mollura (Jr., 5-11, 205).

All in all, there is an enthusiasm at Pitt this year that appears to be justified for the first time since 1963. The long lost Pitt Panther should be back.

All-American candidate, Ralph Cindrich, will anchor the defensive charge.

Spring Game

Due to injuries to the quarterbacks, Carl DePasqua played an offensive vs. defense type of game with no one permitted to tackle the quarterback. The offense was given the ball on 17 different series and scored four touchdowns. Quarterback Dave Havern led the first-unit offense by hitting on 15-25 passes for 179 yards. Tom Hasbach completed 6-12 tosses for 67 yards, while John Hogan did not play because of a shoulder injury. Fullback Tony Esposilto and halfback John Moss were the top two ground-gainers with Esposito rambling for 68 yards in 11 carries and Moss adding 59 yards in 11 tries. Esposito had the game's longest run, a 47-yard burst up the middle. Split end Doug Ginden was the top receiver with six catches for 61 yards. A crowd of over 4,000 watched under sunny skies as touchdowns were scored by Esposito, Dennis Ferris, Dave Garnett and Cleveland Edwards.

DR. WESLEY W. POSVAR
Chancellor

In three short years since his appointment as chancellor of the University on June 1, 1967, Dr. Wesley W. Posvar has properly gained the reputation as Pitt's Number One sports fan.

A former athlete himself and a firm believer in intercollegiate sports within the framework of the academic structure, Dr. Posvar has attended all but one Pitt football game in three years and is a frequent visitor to practice and other athletic functions. He is also a believer in winning, and has pledged to give Pitt a solid athletic program.

"Academically," Dr. Posvar told a group of sportswriters on one away trip last year, "Pitt is one of the finest universities in the country. That's a fact and we mean to keep it that way. But let me tell you something—we're going to have sports teams to match, and that goes for every sport, starting with football and working down the line. That's a pledge."

His sincere efforts to build a winning football program at Pitt have not gone unnoticed by the football players themselves. Last season following Pitt's 46-19 victory over Navy, the players presented the game ball to him in a noisy locker room celebration. He considers it one of his prized possessions.

A former Rhodes Scholar and Chairman of the Social Sciences Division at the Air Force Academy, Dr. Posvar is Pitt's 15th chancellor. A holder of five academic degrees, his scholarly achievements have gained him national attention.

Dr. Posvar graduated first in his class from West Point in 1946, achieving one of the highest grades in the Academy's history. He subsequently was a Rhodes Scholar at Oxford University from 1948-51, receiving both his B.A. and M.A. in Philosophy, Politics and Economics. He also earned the Master of Public Administration and the Ph.D. in political science from Harvard in 1964.

CASIMIR J. MYSLINSKI
Athletic Director

It didn't take long for Casimir Myslinski to live up to his word.

At his first press conference after being named Athletic Director at Pitt on Dec. 24, 1968, Myslinski made one lasting impression. He intended to win.

"My entire aim is to bring the athletic program back to the heights it deserves," Myslinski told the assembled sports media representatives. "And, I don't just mean football; I mean all sports. There's no doubt about it, Pitt athletics belong on top. We intend to be major league, and we intend to win."

In his first full year as AD, Myslinski fulfilled his pledge. This past sports year Pitt completed its best athletic season in the last 11 years, and its first winning year since 1962-63. The Panthers compiled a mark of 81-63-2 in 13 sports, a winning percentage of .563, the best at Pitt since 1958-59.

Following graduation from West Point, he entered the Air Force. In 1952 he returned to West Point as Deputy Head of the Department of Physical Education, and moved from there in 1956 to Head of the Department of Physical Education at the United States Air Force Academy in Colorado.

A former All-American football player at Army under coach Earl (Red) Blaik, Myslinski has a long and distinguished career in athletics as a player, coach and administrator. Following graduation from high school, he enrolled at the U.S. Military Academy where the famous Earl Blaik was turning out some of the best college football teams in the nation.

Myslinski captained the 1943 Army team and was named to every first team All-American squad at center. He graduated from Army in 1944 with a B.S. in engineering and subsequently earned a Masters in Education from Teachers' College, Columbia University.

Born on March 6, 1920, in Steubenville, Ohio, Myslinski and his wife, Eleanor, have four children—Linda, 20; Patricia, 19; Michael, 16, and Dorothy, 14.

CARL A. DePASQUA

Head Football Coach

It is hard to imagine any football coach who took a job under more difficult circumstances. A national sports magazine had headlined the story, "Doesn't Anybody Here Want This Football Job?"

Pitt, once a power in major college football circles, had reached an all-time low. In three years, the once-proud Panthers had lost 27 of 30 football games, most of them by unbelievably large margins. In one game alone, the opponent had secretly agreed to let the clock run in the second half to hold down the score which had reached 49-0 by halftime.

The search for a new coach began, but the troubles piled up even deeper. One nationally prominent coach took the job, and five days later backed out of the contract. Then under the glare of television lights and a big buildup, two more "big name" coaches were flown to Pittsburgh—only to turn thumbs down and leave Pitt with two more black eyes.

"What's wrong with Carl DePasqua?" an angry alumnus kept asking people at the annual NCAA coaches convention which was being held simultaneously to the Pitt coaching "parade." It was a question hundreds of Pitt alumni had been asking. They couldn't understand why Pitt was looking elsewhere for a coach when a Pitt man had all the qualifications.

Neither could this particular alumnus. His name was Carl DePasqua.

New Athletic Director Casimir Myslinski, who had just taken over the job of hiring a new coach, agreed that DePasqua was a natural. It was a choice that he hasn't since regretted.

With squad morale at rock-bottom and a number of athletes threatening to leave school, DePasqua began preparations for spring drills. He assembled his team for the first time in a lecture room and told them one thing—"We are going to win. I've been with winners. My staff's been with winners. We all know what it is to win. That's precisely what we're going to do here."

It didn't take the players long to find out what DePasqua meant. In fact, it took about one week of spring drills. There were no emotional outbursts, no yelling, no slapping and no swearing. The order of the day was just plain, old basic fundamental football.

"We're going to play fundamentally sound football—Western Pennsylvania style," DePasqua announced. "I won't make any predictions but I promise you this. We'll know how to block and tackle. We'll do our talking on the field."

Slowly, but ever so surely, a change took place. The players were taught how to block and tackle, then they began believing in the coaches, and finally they believed in themselves. Spring practice had been successful.

". . . We are going to win," DePasqua said at the first squad meeting. "We're going to play fundamentally sound football—Western Pennsylvania style"

Then came the fall, and Pitt fans and opponents could see the change right away. Here was a Pitt team of old—hard hitting, strong and fundamentally sound. The 4-6 record could just as easily been 5-5, but more importantly, Pitt was competitive in every game.

In one short year, DePasqua had performed a minor miracle.

Pitt's 26th head coach has been a prominent name in the Tri-State coaching circles since he joined the Pitt staff as a defensive backfield coach in 1958. A man familiar with the area and the University, he is regarded as an astute observer of the game and a sound, fundamental coach.

DePasqua is the seventh former Panther player to return to his alma mater as the head coach. An outstanding Pitt back from 1946-49, he played under Wes Fesler (1946) and Mike Milligan. Coming to Pitt from Williamsport High School where he captained both the football and basketball teams to brilliant records, DePasqua was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning teams as a junior and a senior. All this while weighing only 160 pounds.

. . . his players refer to him fondly as the 'Pizza King'.

Following graduation from Pitt in 1950, DePasqua spent two years in the Army and then returned to Pitt to earn a Master's degree and coach part-time. He coached in Canada in 1955, went into the pizza business in Pittsburgh for two years, and then joined John Michelosen's Pitt staff in 1958. (His players now sometimes fondly refer to him as the 'Pizza King'!)

After eight years as a defensive specialist on the Pitt staff, DePasqua was named head coach at Waynesburg (Pa.) College in 1966, where he produced two of the finest small college teams in the nation. In two years his teams lost just once (17-1) while winning the NAIA championship his first year and losing 7-0 to the eventual national champions his second season. His clubs at Waynesburg broke nearly all the school records on the books.

From Waynesburg, DePasqua gained valuable experience on the professional level by joining the Pittsburgh Steeler staff in 1968 as the defensive line coach.

A resident of Pittsburgh, he and his wife, Catherine, have two children—Dana, 13, and John 5. DePasqua was born October 28, 1927.

LOU 'BIMBO' CECCONI
Offensive Coordinator

The first man Carl DePasqua named to his staff was Lou 'Bimbo' Cecconi, a former great Pitt player and a Panther coach for eight years. He played in the same Panther backfield as DePasqua from 1946-49. He is 41.

A 1946 graduate of Donora High (Pa.), Cecconi was one of the top all-around athletes in the school's history. He won 11 letters in football, basketball, baseball and track, and was named all-WPIAL in both football and basketball. As a quarterback he led his team to an undefeated season and the WPIAL championship, and in basketball to the State finals.

From Donora he moved to Pitt where he starred, winning eight letters in football and basketball. A four-year regular in football as a quarterback and halfback, he captained the Panthers his senior year. He was named an All-East halfback his senior year, and played in the North-South game. In addition, he won the Dapper Dan Outstanding Player Award in 1948 and 1949.

A 1950 Pitt graduate, he began his coaching career immediately following graduation as an assistant coach at Donora High. Following two years in the Army, he was named head football, basketball and baseball coach at Sharpsburg High where his grid team compiled a 27-10-10 mark in five years.

In 1958 he was named an assistant coach at Pitt and he served John Michelosen's staff as freshman coach, backfield coach and offensive coach from 1958-65. For three years he served as offensive coach at Indiana State of Terre Haute (Ind.) where his offense averaged over 30 points per game last year.

Married, he and his wife, Vilma, have five children—Louis, 18; Anne, 16; Paula, 15, Mary 13; and Virginia 12. Lou is a freshman football player at Pitt.

SERAFINO 'FOGE' FAZIO
Defensive Line

A former outstanding Pitt player, Serafino 'Foge' Fazio adds a fine blend of youth and experience to the Panther coaching staff. He is 31.

A native of nearby Coraopolis, Fazio was an all-WPIAL center and linebacker at Coraopolis High School. Moving to Pitt, he was the Panther's starting center in 1958 and 1959, winning the MVP Award his senior year in addition to being named to the All-East squad and honorable mention All-American. He also was chosen to play in the North-South Game and the All-American Bowl.

A fifth-round draft choice of the Boston Patriots, he decided on coaching instead of playing and started his career as an assistant coach at Coraopolis High in 1962. He left Coraopolis for two years to take the job as defensive coordinator at Ambridge High School (Pa.), but returned in 1965 as head coach. In two years at his alma mater his teams compiled a 13-4-1 record while winning the Ohio Valley Conference championship.

In 1967 Fazio moved to the college coaching ranks as offensive line coach and head freshman coach at Boston University. His Boston frosh were 5-1.

In 1968 Fazio was the defensive line coach at Harvard, a team that tied for the Ivy League Championship with an 8-0-1 mark. Defensively, the team ranked third in the nation against scoring, and 13th in the country in total defense.

Married, he and his wife, Norma, have one girl—Kristen, 2.

TOM FLETCHER

Defensive Coordinator

Long associated with winning football on the collegiate level, Tom Fletcher brings to the Panther defense an outstanding reputation and background. He is 44.

A top back at Arizona State, he was named an All-Conference defensive back before graduating in 1954. Drafted in the 11th round by the San Francisco 49ers, an ankle injury ended his pro playing career during his first year.

He started his coaching career as defensive backfield coach at Arizona State, and during his four years on the staff, Arizona State compiled a 33-7-1 record. When Dan Devine was named head coach at Missouri in 1958, he asked Fletcher to join him as backfield coach. In eight years at Missouri, Fletcher coached both the offensive and defensvie backfields as the Tigers compiled a 58-20-6 mark and seven times ranked in the Top 20 en route to four major bowl appearances.

In 1966 Fletcher joined Bill Austin's staff of the Pittsburgh Steelers as defensive backfield coach where he spent three years.

Married, he and his wife, Fran, have two girls—Susan, 9; and Sandra, 8.

ERNIE HEFFERLE

Offensive Line

Ernie Hefferle, an assistant football coach at Pitt for 12 years, and for the past four years offensive line coach of the Miami Dolphins, was named offensive line coach at Pitt this past spring.

Hefferle, who has the reputation of turning out the finest ends in Pitt history, brings to Pitt a wide range of experience on both the collegiate and professional level. A former Duquesne University end, Hefferle holds the Orange Bowl record for the longest pass reception when he beat Mississippi State in 1937 with a 69-yard pass catch. He began his coaching career at South Huntingdon Twp. (Pa.) where he had a four year record of 25-10-4, and then moved on to Tarentum High School for two seasons.

Hefferle began his association with Pitt in 1951 when he was named freshman coach. The next season he moved to the varsity staff as end coach where he produced such All-Americans as Joe Walton, Mike Ditka and 'Mean' John Paluck.

In 1960 Hefferle was named head coach at Boston College where he served for two years and then returned to Pitt as offensive line coach from 1962-64.

Hefferle jumped into the pro ranks, joining the Pittsburgh Steelers as offensive line coach in 1965. He was named offensive line coach of the Miami Dolphins in 1966 and served there through the 1968 season.

A native of Herminie, Pa., Hefferle has a Masters in Education from Pitt in addition to his B.A. Degree from Duquesne. Married, he and his wife Betty have three daughters—Vonnie and Cheryle, both married, and Jean, 19. He is 55.

PAUL KEMP

Linebackers

A native of Waterloo, Iowa, Paul Kemp was appointed linebacker coach at Pitt after a highly successful coaching career in the West on both the collegiate and professional level. He is 38.

As a player, Kemp lettered three years as a quarterback at the University of Iowa. Following graduation from Iowa in 1954, he was named head coach at North Dakota State Teachers College in Dickinson, N.D. In one year there, his team compiled a 6-2 record.

In 1957 Kemp was named an assistant coach at Ball State, and in 1958 he moved to the staff at Arizona State as offensive coach. In his nine years there, Arizona State won over 80 per cent of their games.

In 1967 he moved to Iowa State as offensive coach, and then gained valuable experience on the pro level as a talent scout for the Atlanta Falcons.

Although he has never coached in the East prior to coming to Pitt, Kemp is no stranger when it comes to football players from Pennsylvania. In his nine years at Arizona State he recruited numerous players from the talent-rich Pennsylvania area.

Married, he and his wife, Beth, have three children—Michelle, 15; Melinda, 13; and Melissa, 7.

STEVE PETRO

Defensive Tackles

A familiar face on the football scene at Pitt for the last 17 years, Steve Petro is the experienced veteran on the Panther staff.

Coming to Pitt from Johnstown High School (Pa.), Petro played three years as a guard from 1936 through 1938. His first starting assignment was in the 1937 Rose Bowl when Pitt dumped Washington, 21-0. In his three years at Pitt, the Panthers compiled a 23-3-2 record against the best competition in the country.

Following graduation from Pitt he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corporation. He entered the service in 1942, serving first with the Air Force and then in Intelligence. During his years in the Service, he also took time out to play football.

Upon his return to civilian life, Petro went back to the Steel Industry, serving as line coach in the Pennsylvania Professional League from 1947-48 during his evening hours. A volunteer helper during Pitt's 1950 Spring drills, he was named junior varsity coach in the Fall. In 1951 he moved to the varsity as assistant line coach, and from 1954-57 he was Pitt's freshmen coach. He was moved back to the varsity staff in 1958.

Married to the former Winifred Wilson, the couple has five children—Linda, 22; Mary Beth, 19; Lorraine, 15; Pamela, 11, and Steve, Jr., 10. The Petros live in Baldwin Borough.

In the spring he has helped coach Pitt's offensive line.

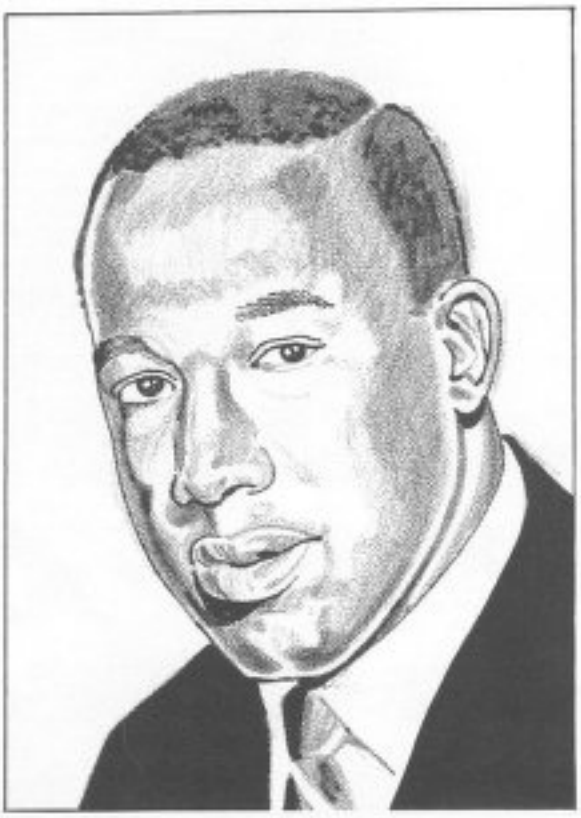
Meet The 1970 Panthers

A Brief Look at Pitt's

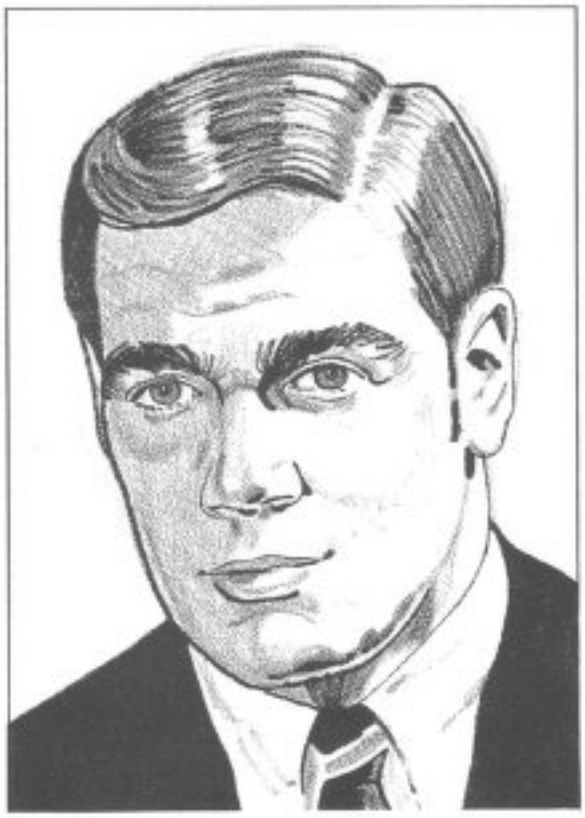


LLOYD WESTON

6-1, 235-pound senior tackle

Pitt's best defensive tackle in a number of years, Weston has got to rate as one of the top defensive tackle prospects in the country. Possessed of catlike quickness, he also has tremendous strength and an excellent 'nose' for the football. Named last year to the ECAC All-East first-team, and to a number of All-Opponent squads. Weston came to Pitt highly heraled as the finest schoolboy lineman ever to come out of the city of Pittsburgh. At Westinghouse High School he won every honor there was to win including first-team Scholastic Magazine All-American. Possibly the most sought-after high school lineman in the nation his senior year, he was called by one Big Ten coach "the finest high school lineman we've seen in the last 15 years." Along with Cindrich, had an outstanding freshman year at Pitt, and big things were expected of him as a sophomore. Early in his sophomore year, Lloyd sustained a bad knee injury and then two games later he injured the other knee. Hobbled by these injuries, and switched from linebacker to defensive end, he did not have the kind of year people were expecting of him. Last season was a different story, though. Placed at defensive tackle and free of injuries, Weston anchored the left side of Pitt's defensive front superbly. Had his best game against Notre Dame when he made 16 tackles, 6 of them unassisted from the defensive tackle position . . . Married, he and his wife Yvonne have two children . . . Majoring in sociology, Lloyd plans to be a doctor some day.

All-American Candidates



RALPH CINDRICH

6-1, 220-pound junior linebacker

Considered Pitt's best linebacker since the days of All-American Joe Schmidt, now coach of the Detroit Lions. Led Pitt in tackles in eight of ten games, while drawing raves from opposing coaches and fans. Named to Football New's Sophomore All-American first team, AP All-East first team and a flood of All-Opponent teams. Pre-Season selected to Football New's All-American first team and is slated to be selected to a number of other pre-season All-American squads. Had his best games last year against Pitt's toughest foes with 18 or more tackles against UCLA, Oklahoma, Penn State and Notre Dame. Says coach Carl DePasqua: "I've been coaching in major college football for 17 years and I've seen many top athletes, but in all my years of coaching I've never used the term 'great' in defining any of them. However, with Ralph Cindrich, I have no reservations whatsoever in using the word 'great' There's no question in my mind he resembles and typifies one of the great Pitt linebackers of all time, Joe Schmidt. He was the soul of our defense last year, leading us in tackles, leadership and consistent performance game after game." Came from a small class B school (Avella), so he never made the All-State team in high school. However, he was selected to the famous Pa. Big 33 team, and after the game with the Texas All-Stars, coach Bobby Layne called him the "best player on the field." Had a tremendous freshman year at Pitt, and was pre-season picked by Sports Illustrated as one of the top five sophomores in the country. Opened the season by making 17 tackles against UCLA but was injured in the game and missed the rest of the year. Came back from the leg injury to win the Eastern heavyweight wrestling championship and finish fourth in the nationals as a sophomore. Received a football injury red-shirt, and performed last year as a sophomore. Said one coach after watching Cindrich, "there isn't a better linebacker in the country. If he doesn't make All-American nobody should" . . . This past summer, Ralph worked in a law firm in Downtown Pittsburgh . . . A top student, he twice has neen named to the Dean's List as an English major . . . Hobbies are hunting, fishing and gun collecting . . . Girl friend, Mary Rose, is a Pitt cheerleader.

UCLA exploited three Pitt opening game mistakes for long bombs and the big score . . . In that game,, qb Dennis Dummit, who returns this year, completed 11-16 passes for 258 yards and 3 TDs. . . . Pitt halfback Dennis Ferris rushed for 48 yards on 7 carries before being injured early in the second quarter . . . In five seasons at UCLA, Tom Prothro has had only one losing year.

Pitt Stadium—Home of the Panthers

Pitt Stadium, with a seating capacity of 57,331, is generally considered one of the finest football stadiums, spectator-wise, in the East. Every seat in the oval shaped stadium is a good one for viewing football.

Opened in 1925 at a cost of $2,125,000, the stadium originally seated 67,000. Various seats were later taken out to provide better access to all of the seats. The stadium plant itself encompasses 10 acres with an outer circumference of one-half mile. Besides the football field, facilities include a band room, a 440-yard track and dressing rooms.

The first game was played in 1925 when Pitt defeated Washington & Lee, 28-0. During the next four seasons, the Panthers played 30 of their 34 games in the Stadium. The single-game attendance record was set in 1938 when 68,918 fans jammed every corner of the Stadium to see Pitt top Fordham, 24-13. Eighty Years of Panthers

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U.S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americas, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925, 1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americas during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-America rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, guard John Guzik in 1958 and end Mike Ditka in 1960.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head

coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panther's national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1, in 1959 finished with a 6-4 record and had a 4-3-3 record in 1960.

In 1961, Pitt was 3-7, the most disastrous record since 1951. In 1962, the record was 5-5.

In 1963, Pitt finished with a 9-1 mark and was ranked third in the country.

After losing seasons in 1964, 3-5-2, and 1965, 3-7, Michelosen was succeeded by Dave Hart.

Hart undertook an extensive recruiting campaign and quickly gained the reputation as one of the finest recruiters in Pitt history. Unfortunately, the squads did not perform well on the field, and he resigned after three years and a 3-27 record.

He was replaced in 1969 by former Pitt player and assistant coach, Carl DePasqua, who in his first season brought the Panthers back to respectability with a 4-6 record.

Pitt Hall of Fame Awardees

Thus far the University of Pittsburgh has had five players and one coach elected to the National Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938, was elected in 1953 being among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

In 1958, Marshall Goldberg, an All-American halfback in 1937 and an All-America fullback in 1938, was elected.

In 1965, George McLaren, an All-America fullback in 1917 and 1918, was elected.

In 1967, Herb Stein, an All-America center in 1921, was elected.

In 1970, Tom Davies, an All-America halfback in 1918 and 1920, was elected.

Jock Sutherland

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF, then came back to the coaching job at Lafayette. Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid, put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937. All-Americas were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

Bob Peck

Bob Peck was Pitt's initial first team All-America, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation. Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate

passing center who could lead the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

Marshall Goldberg

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185). He was a defensive expert during his three years and starred at this phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and ODK, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the Navy, and then finished his pro career with the Chicago Cardinals when they won their first title. He is vice president of the Emmerman Machinery Company in Chicago.

George McLaren

George McLaren, who came to Pitt from Peabody High School, is considered the greatest fullback in the school's history.

He played four years, 1915-1918, and during this period, the Panthers compiled a 29-0 record. McLaren was captain of the 1918 team. McLaren scored 13 touchdowns in 1917, a school record, and also holds the one-season rushing mark by a Pitt fullback with 782 yards. He also holds the longest run from scrimmage, 92 yards in 1917. He was never stopped without making a gain during his intercollegiate career.

McLaren also was a member of the basketball team for two years and a performer on the track squad for two campaigns.

McLaren now resides in Baltimore, Maryland, and is retired.

Herb Stein

Herb Stein came to Pitt from Warren, Ohio, and for four years was one of the greatest offensive and defensive centers in Panther history.

A member of the great "Pop" Warner teams in 1918-21, he was named as a first-team All-American in 1921. During his four years, Pitt won 21, lost five and tied four. His brother, Russ, was also an All-American tackle at Washington & Jefferson.

Now a highly successful business executive, Stein owns and operates nine corporations. He resides in Cleveland, Ohio.

Tom Davies

A two-time All-American halfback, Tom Davies ranks as one of Pitt's greatest backs. After prepping at Kiski, Davies entered Pitt in 1918 and was named on the late Walter Camp's All-America team as a freshman under Glenn Scobie (Pop) Warner. Davies was a regular for four seasons and was again named All-America in 1920. He holds three Pitt punt return records and ranks second in the all-time total yards gained department with 3,931 yards.

Following graduation from Pitt, Tom spent 25 years as a coach at Penn, Geneva, Allegheny, Rochester, Kiski, Scranton and Western Reserve.

A retired insurance executive, he keeps his interest in the gridiron sport by serving as treasurer of the Curbstone Coaches in Pittsburgh.

1970 Press Guide On Sale

Although this brochure is designed chiefly for sportswriters, radio, TV and other news personnel to assist them in covering the 1970 Pitt football season, fans may order copies (while they last) by mailing a check or money order of $1.50 to the Sports Information Director, University of Pittsburgh, P.O. Box 7436, Pittsburgh, Pa. 15213. Make checks payable to the University of Pittsburgh.

Voice of the Panthers

A three-man broadcasting crew that is nationally known, yet Pittsburgh oriented, will handle all the Pitt football games this Fall over WTAE Radio (1250). The games will also be carried throughout the State on a 20-station network with WTAE acting as the parent station.

Ed Conway, recently named the Outstanding TV Sportscaster in Pittsburgh and the Sports Director of WTAE-TV, will begin his first year as play-by-play man. He will be assisted by Bill Hillgrove, WTAE music and sports personality, and Myron Cope, well-known both nationally and locally as author and radio-TV commentator. Hillgrove will aid Conway as the color commentator, while Cope will handle halftime commentaries.

Conway, who has been sports director of WTAE-TV since 1961, is one of the most popular and most familiar sportscasters in the Tri-State area. A native of Baltimore, Md., Ed began his career in 1953 as sports director of WORK, York, Pa. Since joining WTAE he has done play-by-play on Pittsburgh Penguin hockey broadcasts, the annual PIAA state basketball championships, and has produced several award-winning sports specials on the Pirates, Steelers and annual PGA golf tournaments.

Hillgrove will be starting his first season on the football broadcasts after handling the play-by-play of all Pitt basketball games last season. He has parlayed an extensive knowledge of sports and several years of broadcast experience into a highly successful music/sports program heard daily from 4 to 7 p.m. He holds a bachelor's degree in radio/TV journalism from Duquesne University.

A life-long Pittsburgh resident, Cope is well known both nationally and locally. In addition to being sports director of WTAE Radio, Cope is one of Sports Illustraded's six-man team of special contributors. He is the author of three books—Jim Brown's "Off My Chest," "Broken Cigars" and "The Game That Was." A 1929 Pitt graduate, he worked in newspapers and as a free-lance writer before entering the radio/TV field in 1968. His "Myron Cope on Sports" show is heard three times daily on radio, and he does an additional three TV commentaries per week. Among numerous professional awards, Myron holds the 1964 E. P. Dutton Prize for "Best Magazine Sportswriting" in the nation.

Stadium Gets AstroTurf

It will be a 'New Look' Pitt Stadium this Fall. Work was completed in August on the installation of AstroTurf playing surface and a 440-yard all-weather Tartan track.

Pitt thus joins about 40 other schools who have chosen AstroTurf to cover playing fields. The deep green AstroTurf contrasts sharply with the brick-red Tartan track to give Pitt Stadium an eye-catching appearance.

Fall Camp

Pitt will open Fall drills on August 25th at Allegheny College in Meadville, Pa. The players will report to the Pitt campus on Aug. 23rd for physicals, spend the 24th clearing registration, and then depart for camp that evening. One session will be held on the 25th, and will be followed by double sessions through the 31st. The players will return to the Pitt campus on September 1. Practice sessions on the Pitt campus will be held in Pitt Stadium.

Memo to Press-Radio-TV

This brochure has been prepared for the gentlemen of the working press, radio and television who have so ably covered the Pitt athletic scene in the past years. We are appreciative of their interest and attention, and it is hoped this brochure will assist them in their coverage of the Pitt football team.

Contents of this booklet and changes in personnel and plans will be supplemented before and during the season by the Sports Information Office. If you desire additional information, services, or material, contact:

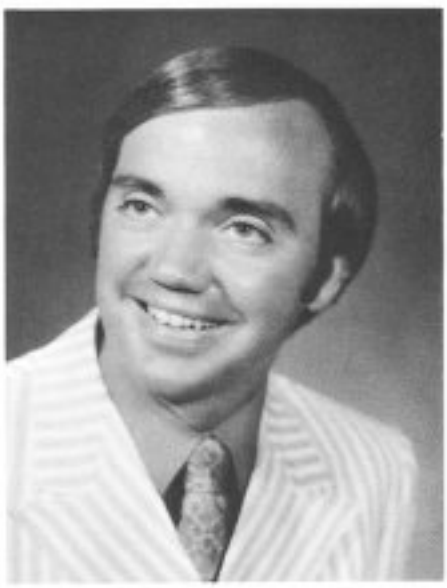
Office Telephone: 683-2800 (Code 412)
683-2805 (after 5 p.m.)

Home Telephone: 531-7701 (Code 412)



PRESS BOX: Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh district papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box should have cabs take them to Gate #23, to avoid climbing hills. This is located behind Pennsylvania Hall of the School of Medicine.

PHOTOGRAPHERS: Sideline passes will be issued to Pittsburgh papers, news services, daily papers normally covering the opposing team, and student publications of the two schools. Photographers may not work in front of the bench and must stay behind the line and obey the instructions of the officer detailed to the area. Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space. Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.
